

Staff Notes: THIS IS THE UPDATED VERSION

[Anything that is not **bolded** is still being processed and may not be on its permanent shelf]

[Anything that is **highlighted** is still being processed and photographed, and isn't available for clients to see online]

[ (\*) indicates that the items are not all 100% identical]

[You aren't expected to memorize the codes! They are for ease of searching and for clarifying the differences between items that are similar.]

[If you are having a hard time figuring out which items a bride is asking for, try searching for keywords on this doc as well. They should pop up as highlighted.]

[As items are purged, codes may be deleted or reassigned to new items.]

[Remember, if you are missing one or two from a quantity, those items are probably in the Bridal Lounge closet as "examples."]

[To search on a browser, press CNTRL + F for PC, and CMND + F for Mac; To search in the app, press the ... in the upper right hand corner and click "Find & Replace."]
